

## International Rubble Course III°

### General information

Beautiful landscape in Trentino region (I), is an ideal place for International Rubble Course, third edition. The ruins are situated on three different locations: Fortress Cherle situated 300 mt. from hotel Forte Cherle, Fortress Luserna 30 minutes by cars from the basic location and Fortress Martinella a very special place where working. All the three Fortness are situated at 1400 mt. altitudine and there are ruins from the First World War. Places rich of history are fantastic area for different working dogs situations.

Price: 240€ (course fee and full board)

**Accommodation and meal:**

The hotel Cherle offers with its 14 rooms all the comforts for the most pleasurable experience in the mountains of Trentino.

At your disposal will be two – three or four – persons-rooms with private bath and balcony from which you could enjoy a wonderful view above the surrounding mountains and grazing lands.

The “Da Leo” Restaurant offers for our breakfast and dinners (lunch-boxes will be provided) delicious local specialties combined with the traditional cuisine from Emilia –Romagna.

Next to the hotel an obedience ring fully equipped will be available for your dogs’ training out of the rubble camp timetables.

The hotel garage is available for the night for your dogs.

We will also have the chance to organize an overnight mission test at Forte Cherle, only 300 metres away from the hotel.

Trentino Rescue Dog Team wishes you all to enjoy your stay at the International Rubble Camp
